

Sublim[®] Zero C+

Sublimation Digital Inks

Premium Sublimation Ink for high-speed paper transfer printing, for Kyocera, Ricoh and Fuji inkjet print heads

PRODUCT DESCRIPTION

- Outstanding saturated color with 20-25% ink savings vs. classical sublimation inks
- High ink versatility suitable for all types of transfer paper including low weight paper and uncoated versions
- Extraordinary run-ability for extreme printing speed resulting in the lowest cost of ownership
- Wide color range to cover all market segments: fashion, sportswear and home furnishing
- Magenta and Yellow fluorescent inks for vibrant prints in innovative product ranges such as bike-wear

AATCC / ISO RESULTS

	Light Fastness	Water Fastness	Alkali Perspiration Fastness
Cyan	5/6	4/5	4/5
Magenta	6/7	4/5	5
Yellow	6/7	4/5	4/5
Perfect Black	5/6	4/5	4/5
Blue	5/6	4/5	5
Orange	5/6	4/5	5
Fluo Magenta	4/5	4/5	4/5
Fluo Yellow	4/5	4/5	4/5
